ENVoY Classroom Management Refresher Series

Due to new expenditure guidelines from the state, the WREN is no longer able to provide stipends to educators solely for attending professional development. Consequently, you will not receive a stipend for attending this professional learning opportunity. However, we have covered all training fees to ensure high-quality professional learning remains free for educators in the region.

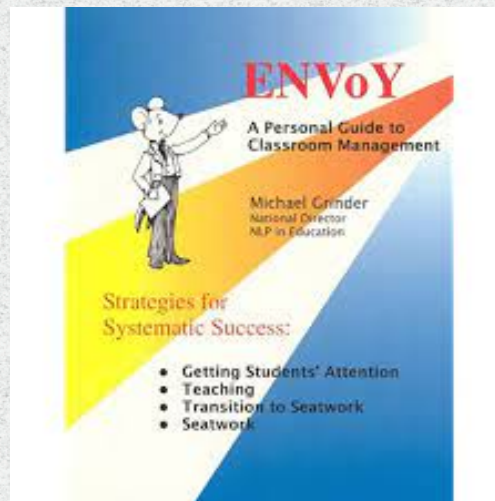

4:00-5:30 pm

Virtual: Zoom

January 15

February 12

March 5
